SOURCE: miele W1712 washing machine drain fault Just had the same problem, after Much patience and persistence I found the blockage at the y piece that joins the pump to the outlet hose air trap towards the top of the machine LHS with the top and cover off.

SOLVED: Miele honeycomb care w 1712 drain fault comes on ...

About 100 years ago washing was done by hand. But as early as the beginning of the twentieth century the first washing machines were developed and significantly simplified the daily routine of housewives. Since then, many technological innovations that represented fundamental milestones in laundry care have been developed by Miele.
