### **minolta instant pro | eBay**

In 1990, Minolta and Polaroid both released an improved version of the Spectra camera called the Instant Pro and Spectra Pro, respectively. These cameras were essentially the same as one another (though the licensed-from-Polaroid Minolta does have a superficial edge in durability - more later), and they're two of the most user-adjustable Polaroid cameras ever [...]

I can't even find it on Minolta's site. They still offer free pdf downloads for their cameras but I couldn't find the instant pro. I saw that it is similar to the spectra pro but I also saw that it is supposed to have more features so the manual for the spectra pro might not be the same.

### **minolta instant pro manual? | Yahoo Answers**

My latest acquisition, a reasonable condition Minolta Instant Pro. From the limited information I can find online, Minolta licensed the Polaroid Spectra Pro, and then put their own touches on it. The overall design is Spectra, but a lot of the details are Minolta, like the lens and electronics.
