Glow Engine test stand. Does anyone have any plans or ideas for a good sturdy engine test stand? Its time I build one because i'm tired of having to slap engines on a plane just to test run. I have something in mind just from watching videos but it never hurts to ask. I learn alot on here.

Glow Engine test stand - RC Groups

Engine Test Stands. Using an engine test stand for initial engine runs has many benefits: Adjustments are easier to make because the engine is fully exposed. If the engine is working on the stand but not when you put it in the aircraft, the needles may need slight tweaking. If that does not work, you can bet the problem is in the fuel system.

Airfield Models - Breaking In a Model Airplane Engine

Engine Stands. Featuring weight capacities from 1,000-6,000 pounds, Summit Racing carries all of the engine stands your garage needs to tackle any engine-repair job. We have heavy-duty stands for massive diesel engines, rotating stands, folding stands, and some that do all of the above.

Engine Test Stand Plans | Models Buzz

Engine Test Stand building thread! Here's a new one for ya! I designed a heavy duty model engine test stand 20+ years ago. I had some scrap lumber, some nails and a hammer, and a hand saw. I made a scale model of what I had in mind, from balsa and basswood. Then set about cutting wood, and nailing and screwing together my engine stand.
