Manual or automatic? - posted in 370Z General Discussion: Just wondering what your thoughts are as I'm looking for a 370 (and I hope to get one by the middle of this year). Between the two, I'd rather drive the manual transmission cars, just because they were more fun, despite both of them being slow. I've also driven sportier automatics that do 0-60 in under 6 seconds, and I have a manual 350z. I'd never trade my manual 350 for an auto, but that's not to say you can't have fun in an automatic.
