Timing chain replacement - Nissan Forum

i am also new to the forum. i bought a nissan x-trail 2005 2.0 Litre Manual transmission, 4x4 recently. this was a used vehicle imported from Japan with 90,000Km on the clock. it gives a clattering sound when started after being parked for some time lets say 3 hrs or so. the sound disappears in few seconds and does not appear again if started. i took it back to the garage from where i bought ...

New to board, timing chain issues - Nissan Forum

2006 nissan xtrail timing chains change was created by xtrail dude The piece of mount that is bolted to engine has one lower bolt half covered by power steering pump pulley. That pulley is confusing as to how its on, since there is no nut in front but only a hole.

2006 nissan xtrail timing chains change - EricTheCarGuy ...

The timing chain has broken on my Nissan X-Trail. The fault causes the engine to blow, even though it had only done 95,000 miles. I was under the impression that diesels should be good for more than 200,000 miles. Should I buy another X-Trail or is this a common fault? - For more news, reviews and Top Tens, visit <https://www.honestjohn.co.uk>

PLEASE I WANT TO KNOW HOW TO SET TIMING ON NISSAN X TRAIL

My x-trail has done 110k now and there is a rattling noise (not too loud) but definately noticable coming from my engine. Its mostly heard when i accelerate hard in lower revs. I nearly bought an x-trail from QLD before i bought mine and the guy said the timing chain tensioner needs to be checked/replaced or tightened at 100k.

AUSTRALIAN X-TRAIL FORUM :: Engine Mechanical :: Timing ...

Nissan Timing Chain Problems. Certain Nissan vehicles are gaining a reputation for early problems in the timing chain system, including issues with the chain tensioners, guides, and shoes. Some have suggested that a manufacturing defect created timing chains with sharper edges that rapidly saw through their guides.
