Mini Cooper S R56 Engine

SERVICE Alert. If you own, or know someone who owns a MINI Cooper S (R56) car, from 2006.5 to 2011, read on with great interest or concern. With the push to get more new cars produced, broaden the product line, the life cycle has gotten shorter and shorter, and manufacturers have also taken other steps to outsource some major parts of the car to help in the rush to get this all done.

Mini Cooper BCM: Computer, Chip, Cruise Control | eBay

Mini (stylised as MINI) is a British automotive marque, owned by BMW since 2000, and used by them for a range of small cars. The word Mini has been used in car model names since 1959, and in 1969 it became a marque in its own right when the name "Mini" replaced the separate "Austin Mini" and "Morris Mini" car model names.
