How to Find Documentation for Your Motherboard Online

Re: Motherboard manual I'm looking for information about the connections on the motherboard for a Dell Inspiron 4500. The reason I ask is because there is a piece of equipment I have acquired in the lab I work in that needs to be connected to the USB connects on the motherboard and I would like to connect it where my front USB ports connect.

Motherboard manual - Dell Community

Motherboard manuals describe product features and specifications including supported memory, cpu processor, expansion card and hard drive configurations. Manuals also document jumper settings and connectors on the motherboard and list system component setup procedures.
