Mud Engineer School | Oilfield Chemical Company

We have hired about 3-4 mud engineers that paid for their own school but most of our guys went to our own down in Houston. The biggest problem with our company is our mud school classes are just too filled up and it's months before we can get those guys into the field, hence us having to go the self paid mud school route for a few of our guys.

Looking for Mud Engineer Information | TexAgs

This course is designed for engineers and field personnel involved in the planning and implementation of drilling programs. The seminar covers all aspects of drilling fluids technology, emphasizing both theory and practical application. Hands-on laboratory exercises are included in the five-day Houston sessions.
