I just bought a 2006 Nissan Altima 2.5S Special Edition with 45,000 miles on it from a dealership. Just yesterday, I wasn't able to shift it out of park. It happened two more times since then. After twenty minutes or so of playing with the wheel and turning the engine on and off, I finally am able to put it into drive. I have an appointment with the dealership on Friday, I just wanted to find ...
