Many modelers participated at races, while at the same time working for MOKI. One famous example is Mr. Gyula Krizsma - World Champion in high-speed control-line flight in 1962 - and the engineer responsible for the development of MOKI 's two-stroke engines. Now a company in private ownership, the team is concentrating on fulfilling the ...

The History of MOKI. Readers of the late Ron Chernich's outstanding but now sadly frozen "Model Engine News" (MEN) website may recall a number of articles by the present author on classic British and European racing engines, including the Rowell engines from Scotland, the Nordec and Ten-Sixty-Six motors from England and several European marques such as the Czech MVVS and Vltavan models.
