I've been a scout guy since I learned to drive & from what I understand these Nissan engines are pretty decent. No neck snapping acceleration but they do what they need to & are pretty reliable. The turbo versions which were found on the 1980 Scout II's were pretty desirable. For more info check out Diesel Talk on the Binder Bulletin.

### **Nissan SD33 | Northwest Diesel Parts**

The engine was designed originally for the Nissan Patrol, as well as forklifts, but the fuel crisis of the '70's was in full swing, and International-Harvester was looking for a small, high-economy diesel to put in their Scouts. I'm not sure why they chose the SD-33 instead of making their own engine, but that's what they did.
