motu micro express | eBay

The Micro Express USB by MOTU cost about 250 dollars brand new, not that that is a bad price but I feel like its about 75 dollars overpriced. The Micro Express is the smaller version of the MIDI Express XT by MOTU. The Express USB is very easy to use and it is all plug and play. It does come with a manual which you will not need to read through unless its your first time working with MIDI and ...

motu micro | eBay

I don't mind telling you that I also have read both MAC and WINDOWS manuals on the Express, MOTU 2408mkIII and the 828mkII and totally agree with your findings. Sometimes I look at all the manuals I have for the products and find it is like reading a English one then reading a french ver of the same manual.
