Modern televisions send data through all sorts of processes before displaying it on the screen. Since the image doesn't appear until that processing is done, it can appear as though the game is running slowly.

Super Nintendo Entertainment System™ Super NES Classic ...

Started in 1999, the goal of The Manual Project is to scan as many US video game manuals as possible. Once scanned they are posted here so that everyone may read them. To date over 400 NES and SNES manuals have been scanned and posted, and the project is now expanded to include works from other sites.

The Nintendo Entertainment System (NES) was the world's most widely used videogames console during the 1980s. From its initial release in 1983 until it was discontinued in 1995 the console brought gaming into more homes than ever before and paved the way for the videogame industry as it stands today.
