### **Nissan Service Engine Soon Light**

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

### **What Does the Service Engine Soon Light Mean on a Nissan**

The "service engine soon" light indicates that the vehicle's on-board diagnostic computer has detected a problem with one of the car's systems. The computer processes input on system operating parameters while the car is active and illuminates the light if they fall outside of acceptable ranges.
