Newborn Care Manual Now that they've let you take the baby home (yay!), here's what to do to care for him. Cleaning the umbilical cord. During diaper changes, wipe around the area with an alcohol wipe (check with your OB; some think it's better to leave it alone).

**Newborn Care Manual - TheBump.com**

Basic care instructions for newborns are difficult to list, especially because not all babies have the same needs. Some are born with a condition that requires special attention, which makes it impossible to create a manual that details absolutely every topic.

**Basic Care Manual for Newborns - You are Mom**

CARING FOR YOUR NEWBORN 6 HEAD AND FACE Newborn babies rarely have nice round, perfectly shaped heads. Some babies have large heads, some have small. Some have round heads, and some have elongated heads as a result of squeezing through the birth canal. Here are a few of the variations you may notice with your newborn's head:

**A Guide to Caring for your Newborn**

The Care of the Newborn Reference Manual also addresses the information that the mother and family must understand to care for their newborn 24 hours a day, for they are the ones who attend to their newborn's daily needs and problems that occur. Like the health worker, they need to recognize and respond appropriately to danger signs if they ...
